Plaintiffs have requested a one-time 48 hour extension of the deadline for serving the Rule 26(a)(2)(B) Supplemental Expert Report and materials of Dr. Michael

Hanemann. Defendant Friant Water Users Authority is willing to grant that extension on condition that the deadline for serving the supplemental report of its economist is similarly extended so that the two reports will be served simultaneously. It is therefore stipulated by and between Counsel as follows:

The deadline for the service of the Rule 26(a)(2)(b) report and materials of Supplemental Expert Michael Hanneman, Ph.D., is hereby extended by 48 hours from September 19, 2005, through September 21, 2005 on condition that the Supplemental Expert Report and materials of Robert McKusick, Ph. D., is likewise extended through September 21, 2005.
